If the *Administrator Company* receives satisfactory proof (e.g. airline ticket or customs/ immigration stamp) of *your* actual return date to *your country of origin*, *your* refund will be calculated from that date, otherwise calculation of such refunds will be based on the postmarked date of *your* written request. No refund will be issued if the amount of premium to be reimbursed is less than \$20 per policy.

For policies with coverage of \$100,000 or over and with a duration of one year (super visa):

If any of the benefits are duplicated under a similar benefit or under another insurance

coverage in this policy or another policy issued by the Insurer, the maximum *you* are entitled to is the largest amount specified under any one benefit or insurance coverage. The total amount paid to *you* from all sources cannot exceed the actual expenses *you* incur.

7. **Availability and Quality of Care**

The Insurer, the *Administrator Company* or *Ontime Care* shall not be held responsible for the availability or quality of any *medical treatment* (including the results thereof) or transportation, or *your* failure to obtain *medical treatment* while on a covered trip.

8. **Transfer or Medical Repatriation**

SECTION XI: GENERAL PROVISIONS

1. Subrogation

If *you* suffer a loss covered under this policy, *Ontime Care* is granted the right from *you* to take action to enforce all *your* rights, powers, privileges and remedies upon making payment or accepting the claim to the extent of the incurred losses, against any person, legal person or entity which caused such loss.

Additionally, if No Fault benefits or other collateral sources of payment of expenses are available to *you*, regardless of fault, the Insurer is granted the right to make a demand for, and recover those benefits. If the Insurer institutes an action, the Insurer may do so at its own expense, in *your* name, and *you* will attend at the place of loss to assist in the action. If *you* institute a demand or action for a covered loss, *you* shall immediately notify the Insurer so that the Insurer may safeguard its rights.

You must not take any action or execute any documents after the loss that will prejudice the Insurer's right to such remedies.

2. **Assignment of Benefits:** Where the Insurer has paid expenses or benefits to *you* or on *your* behalf under this policy, the Insurer has the right to recover, at its own expense, any benefits available to *you* from any applicable source or any insurance policy. This policy also allows the Insurer to receive, endorse and negotiate eligible payments from those parties on *your* behalf.

3. Other Insurance

This insurance is a second payor plan. For any loss or damage *Insured* by, or for any claim payable under any other liability, group or individual basic or extended health insurance plan, or contracts including any private or provincial or territorial auto insurance plan providing *hospital*, medical, or therapeutic coverage, or any other insurance in force concurrently herewith, amounts payable hereunder are limited to those covered benefits incurred outside *your country of origin* that are in excess of the amounts for which *you* are *Insured* under such other coverage.

Specifically for injuries as a result of an automobile *accident* in Ontario, if *you* are designated catastrophically impaired under the Schedule of *Accident* Benefits under the Ontario Insurance Act, after benefits have been paid under this policy, said benefits are secondary to the Schedule of *Accident* Benefits and the

Company is entitled to invoke the Assignment of Benefit provision of this policy to recover the benefits paid under this policy.

4. **Right of Recovery:** In the event that *you* are found to be ineligible for coverage, any benefit is paid in error, payment is made in excess of the amount allowed under the provisions of this policy, a claim is found to be invalid, or benefits are reduced in accordance with any policy provision, the Insurer has the right to collect from *you* any amount which has been paid on *your* behalf to medical providers or other parties or seek reimbursement from *you*, *your* estate, any institution, Insurer or person to whom payment was made.
5. **Limitation on Liability:** The Insurer's liability under the policy is limited solely to the payment of eligible benefits, up to the maximum amount for any loss or expense. Upon making payment under this policy the Insurer and/or *Administrator Company* and/or *Ontime Care* do not assume any responsibility for the availability, quality or results of any *medical treatment*, or *your* failure to obtain *medical treatment* or transportation and they cannot be held liable for any negligence, wrongful acts or omissions of any service providers.
6. **Misrepresentation and Non-disclosure**
The entire coverage under this policy shall be void if the Insurer determines whether before or after loss, *you* have concealed, misrepresented or failed to disclose any material fact or circumstance concerning *your* policy or *your* interest therein, or if *you* refuse to disclose information or permit the use of such information, pertaining to any of the *Insured Persons* under this contract of insurance.
7. **Arbitration**
Notwithstanding any clause in the present policy, the parties hereto undertake to submit to an arbitration procedure, to the exclusion of the courts, any present or future dispute relating to a claim. The arbitration proceedings shall be governed by arbitration laws in force in the province or territory where this policy was issued. The parties agree that any action will be referred to arbitration.
8. **Applicable Law**
This policy is governed by the laws of the province or territory where this policy was issued. Any action or proceeding against the Insurer for recovery of claims under this policy must

commence within 2 years from the date on which the cause of action arose. If however, this limitation is invalid according to the laws of the province or territory where this policy was issued, *you* must commence any legal action within the shortest time limit permitted by the laws of that province or territory. Despite any other provisions contained in this policy, this policy is subject to the statutory conditions of the Insurance Act respecting contracts of *accident* and *sickness* insurance.

9. **Safeguarding Your Privacy**

The Insurer is committed to protecting *your* privacy. Collecting personal information about *you* is essential to the ability to offer *you* high-quality insurance products and services. The information provided by *you* will only be used for determining *your* eligibility for coverage under the policy, assessing insurance risks, managing and

This information may be shared with third parties, such as other insurance companies, health organizations and government health insurance plans to adjudicate and process any claim.
